

OCTOBER 2023

HAPPY AUTUMN TO OUR CUSTOMERS

Summer days have ended; now is time to turn over a few new leaves. The cooler evenings and warm autumn days welcome light sweaters, spice teas, and cookies while relaxing by a crackling fireplace.

This time of year is best to start putting away summer furniture and outdoor decor while decorating your home's front porch, rear patio, and interior rooms for the upcoming holidays.

We here at The Can Man are always available to help you with those to-do list projects. Please contact us to schedule your appointment for an early fall garage clean-out, appliance installation, or junk haul-away project.

The month of October offers a Spooktacular Discount Special of \$25.00 for any junk haul-away job and \$30.00 off any clean-out and interior work.

Call now, at (909) 997-6733. Remember to mention this month's special discount offer when scheduling your appointment. Offer good through October 31, 2023.
